

2019 SPONSORSHIP OPPORTUNITIES

NETWAR thanks you for your generosity

Why Sponsor NETWAR?

NETWAR is a 501(c)(3) non-profit organization dedicated to organizing large gaming events and supporting charities since 2011. With almost 600 attendees per event and a reach covering many cities in the Midwest, NETWAR provides direct access to dedicated PC and console gaming enthusiasts. The entire event and organization is supported by volunteers. Your sponsorship will help us cover event costs, put on another phenomenal LAN party, maximize the funds donated to charity, and give you excellent exposure directly to consumers!

PREMIER LAN

- ▶ NETWAR is the largest for-charity LAN party event in the world. We have hosted 35 events since 2002 and are one of the oldest LAN parties in the United States.

CHARITY

- ▶ NETWAR became a for-charity LAN party in 2011. To date, NETWAR has raised over \$106,000. Our event proceeds are donated to charity and the entire organization is volunteer.

NEXT EVENT

- ▶ Our next event, NETWAR 36.0, will take place at Omaha's Baxter Arena. The event runs 26 hours from April 12th at 7:00pm to April 13th at 9:00pm.
