

# NETWAR

## LAN PARTY

### LAN Essentials Checklist

- Ticket Code**• Retrieve your seven-character ticket code from the registration confirmation email or locate it in the "My Tickets" section on the event registration page.
  
- Age Under 18**• If you're under 18, remember to bring a "Release of Liability" signed by your legal guardian.
  
- Gaming Gear**
  - Computer tower, laptop, or gaming console.
    - For Nintendo Switch, ensure you have a wired gigabit network adapter.
  - Monitor/TV (one per seat, 32 inches wide or less).
  - Long Category 5e/6 Network Cable (25 feet or longer) - Check Amazon Prime for options.
  - Wired network card for your computer or gaming console (no wireless/WiFi available).
  
- Power Setup and Cables**
  - Power cables for monitor/TV and computer/console.
  - Video cable (DVI, HDMI, etc.).
  
- Peripherals**
  - Wired keyboard and mouse (see warning below on wireless peripherals).
  - Mouse Pad.
  - Audio Headset.
  - Game Controller.
  
- Software**
  - Install necessary games and operating system prior to NETWAR.
  
- Personal Care**
  - Deodorant (essential for a fragrant gaming experience).
  - Cash/Debit/Credit card for food, drinks, etc.
  
- Optional Comfort Items**
  - Favorite desk chair (a folding chair is provided, but less comfortable).
  - Sleeping bag and pillow (designated sleeping areas only, avoid aisles).
  - Sleeping mask and earplugs for a peaceful rest.

Warning: For optimal performance, it's strongly recommended to use wired devices (keyboard, mouse, controller, audio headset, etc.) to avoid potential interference. Wireless gear may not function reliably at the event.
